PE100+ Association annual member meeting elects new Board and new President

At the annual PE100+ Association member meeting on March 18, 2009 in Brussels, pipe business management of the eight member companies praised the achievements of the association in year 2008 and the worldwide reputation that it has reached.

The development of activities in Asia received support from the members. The Association has set up an Asia Working Group with a dedicated communication and promotion plan and created the position of Vice-President Asia.

The member companies also appreciated how the focus on issues of general interest to the industry is reflected in the strong and growing link between PE100+, TEPPFA and the industry expert of the advisory Board.

After 5 years as the President and Chairman, Robin Bresser has stepped down and Ulrich Schulte from LyondellBasell was elected as his successor.

The Association Board composition is now as follows:

- President and Chairman: Ulrich Schulte, LyondellBasell
- Vice President Asia: Robin Bresser, Borouge
- Vice President Europe: Pierre Belloir, Total Petrochemicals
- Secretary: Adrian Popa, Ineos
- Treasurer: Baudouin Sencie, SABIC Europe
- Member: Shinichi Nagano, Prime Polymer
- Member: Pornchai Sangrungsri, Thai Polyethylene
- Member : David Walton, Borealis

Furthermore, Antonio Belforte from Ineos will continue as Marketing Manager of the PE100+ Association.

All the member thanked Robin Bresser for his commitment and contribution to the Association as President and wished Ulrich Schulte all success for his new role.
